

GARTENDER

INSTRUCTIONS FOR USE

www.gartender.com

As Easy as 1 - 2 - 3

- 1. Light cigar and put the compressible retention ring around the cigar, approximately 3" from lit end.**
- 2. Grip the retention ring and insert lit end of cigar into the head (slotted end) of GarTender.**
- 3. As cigar burns, push it further into GarTender.**

TIPS:

- Outside surface will become hot near lit end of cigar.*
- Keep lit end of the cigar near open end of the GarTender.*
- Retention ring will fit snugly to hold cigar.*
- Slots are provided for easy removal.*
